

NFAMOUS

01.

Our mission : To make you famous!

How?

We help influencers, models and bloggers to kick start their career offering exclusive services and tailored made promotion packages. Oh, by the way, it's FREE.

GET NFTS

GET TOKENS

02.

Climb your way to the top faster with us.

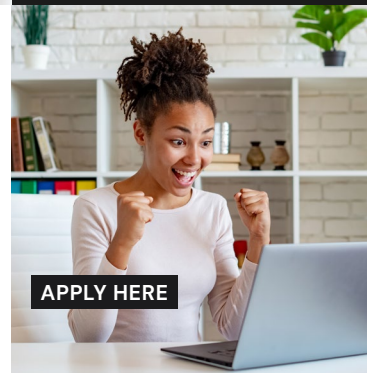

Each month our community votes to select one new talent and give her/him the extra push to get famous faster.

Talents only need to own 1 Infamous (\$IFMS) token to apply, votes are made by our DAO community to choose a winner each month.

03.

Nfamous NFT Collection

Crafted by the Australian artist Hipworth, the Nfamous NFT Collection is based on popular models and influencers from the fashion and blogging industries immortalizing them on the blockchain with 10,000 unique generative art collages. Limited to 10,000 unique art pieces, owning one of the Nfamous NFT is the only way to be part of our DAO community and to vote to decide which new talents we will push.
